DEDICATION

At first glance the 1965 REDWOOD portrays an enjoyable year at Santa Clara. The scenes are of happy people enjoying collegiate life in relative peace and comfort. This dedication is an attempt, perhaps an inadequate one, to place within the pages of this book some of the sorrow and shock experienced by every Santa Clara man and woman with the news of two alumni, both Navy fliers.

In September, during the Tonkin Gulf crisis, Everett Alvarez was reported missing in action and believed to be a captive of the North Vietnamese. Then, in April, just as we ran the risk of becoming complacent, news reached Santa Clara that James Shea had offered his life in the service of his country while flying combat missions over North Viet Nam. In less than a year two Santa Clara men fell victim to the world struggle for individual rights and freedoms.

This yearbook was produced in isolation, isolation from the grim realities which comprise the world we live in. It does not contain references to men dying in the Mekong Delta or over the Gulf of Tonkin, yet these events formed an integral part of the Santa Clara year, events reported to us by every means of communication each day. On only two occasions did these events strike home.

We dedicate our annual to Everett Alvarez and James Shea because they are part of the Santa Clara family. Through them it is dedicated to all Santa Clara men and women who will be called upon in the future to offer similar service and sacrifice in defense of their country. Until every man realizes the folly of war and the senselessness of inflicting pain and anguish on other men Americans will make the ultimate sacrifice.

May the soul of James Shea rest in peace, and may Everett Alvarez be returned to his family and friends in good health—this is the prayer of all Santa Clarans.

Lieutenant James Patrick Shea

SCHOOL OF LAW

EDWIN A. HEAFEY
LAW LIBRARY

The Campbell Lecture Series sponsors speakers from throughout the nation who would be of interest to students of law. This year the principal speakers have been Professor B. E. Witkins, an author, attorney, and authority on California procedure, and Father Snee, S.J., an expert in administrative law from Georgetown University.

Campbell Lecture Series

Standing: T. Tumlin, T. Hastings. Seated: E. Alvarez, D. Carlsmith, M. Shea.

St. Thomas More Society is open to all students of the School of Law and those students of the University who are interested in the philosophy of St. Thomas More. Its activities are primarily spiritual. Its members attend a quarterly Communion Breakfast and sponsor lectures by prominent Catholic lawyers and religious leaders.

St. Thomas More Society

Top: R. Rodgers, M. Sheo, R. Wilson. Bottom: E. Alvarez, T. Hastings.

The Santa Clara Lawyer is a quarterly publication issued by the School of Law. It serves as a record of the activities of the Law School and of the students' achievements.

Santa Clara Lawyer Staff

Standing: M. Sheo, J. Smith, B. Carney, D. Carlsmith, D. Maguire, T. Tumlin. Seated: E. Alvarez, T. Hastings.

Student Bar Association

W. Moore, Treasurer; F. Mills, Second Year Representative; L. Williams, Secretary; L. Wies, Vice President; H. Talifer, First Year Representative; T. Hastings, President; J. Williams, Third Year Representative.

Moot Court Committee
Sitting as Judge: D. Carlsmith

The Moot Court Committee selects the problem, prepares the record, assigns counsel, and directs the activities of the students who take part in moot court pleading. The judges who give their time voluntarily and without recompense are active lawyers, judges, and law professors. The student committee works under the general supervision of a faculty member.

The Student Bar Association is open to all students of the School of Law. It has been established according to the pattern set by the California State Bar Association. It offers easy liaison between students and faculty in the School of Law.

ACTIVITIES

CLAY M. GREENE

The Clay M. Greene Players is an organization dedicated to the promotion of dramatics, and is responsible for all theatrical productions at the University.

The plays presented each year appeal to both the students and the general public. The most famous and well-known of its presentations has been the **Passion Play**, written by Clay M. Greene, a celebrated playwright and former faculty member, after whom the Players have taken their name.

Among the works produced this year were "The Servant of Two Masters," "The Glass Menagerie", "The Lower Depths", and "Goldilocks", by Jean and Walter Kerr. As an added notation . . . "Goldilocks" received rave reviews in all the local papers including the **San Francisco Chronicle**.

A professional business fraternity, Delta Sigma Pi seeks to foster the study of business, and to promote a closer affiliation between the business world and students of business. Toward accomplishing this goal, guest speakers give valuable insights concerning what members may expect from the world of business upon graduation.

During the year the society also conducted an active social calendar, featuring the "Rose of Delta Sig" Dance in May.

SAM President — Fred Franzia

Tau Beta Pi President
Paul Vlahutin

The Zeta Chapter of Tau Beta Pi, the National Engineering Honor Society, honors by membership junior and senior year engineers who have excelled in scholarship and demonstrated their exemplary character.

Through daily coffee and donut sales, the society has been able to award a substantial scholarship to a deserving engineering student.

Mike Buckner, Seth Thompson, Jim Bunker, Father Terry, Jim Feloney, Len Panattoni, Jim Carter, and Mark Stegmeier.

The Arts and Science Association represents the most vital portion of the student body — the College of Arts and Sciences. The Association's most valuable contribution to student life is its lecture series. By bringing interesting and controversial speakers to the campus it strives to intensify the student's awareness of important issues and problems, and to expand their knowledge of these subjects.

Outfitted in red derby hats and striped vests the Red Hat Band is Santa Clara's official pep band, performing at football and basketball games, rallies, and special programs. Highlight of the basketball season is the annual trip to Los Angeles where the Red Hatters play Dixieland music for weekend games. With the addition of several freshmen and long hours of practice, the successful future of the Red Hat Band seems assured.

Possibly the most well attended lecture of the year occurred last February when Mr. Tom Crowley and Ed Swartz of the Alcoholic Beverage Control gave a talk on the pertinent rules of the A.B.C.

DAY STUDENTS ASSOCIATION

Kappa Zeta Phi is a local fraternity devoted to the projects designed to create a greater Santa Clara. Members are chosen from all colleges and must meet certain scholastic and social qualifications. Contributions to the school are made through the fraternity's various service projects and in addition to various social activities, the organization also sponsors the "Man of the Semester Award", given to the student who epitomizes the "Santa Clara Man" image.

THE OWL

The Owl performs a vital service to the academic community. A university provides the opportunity for students' minds to develop, explore, experiment and judge the complex facets of life — the Owl provides the opportunity for students to express, through literary endeavor, their feelings, doubts, anxieties and findings concerning these experiences.

The Santa Clara

1964 Editor
Jim Bunker

The *Santa Clara*, representing the university to over 5,000 readers each week, provides the means for expression of student activities, opinions, and ideas. On a growing campus which is faced with a problem of real communication among all its parts, *The Santa Clara* fulfills its roles as informing and motivating force, on and off campus.

Cognizant of its role, *The Santa Clara* strives to maintain the highest quality of journalism and student responsibility due the university and its readership.

SKI CLUB

The University of Santa Clara Ski Club activities are varied and keyed to the seasons. Late fall and the winter months mean fresh powder snow and vigorous skiing activities, the climax of which is the annual semester break ski trip. After the winter semester season, the ski club engages in water skiing activities at Clear Lake. All during the year, the club engages and co-ordinates its activities through meetings which feature ski films.

George Rehrmann
 Ski Club President

HAWAIIAN CLUB

Hui-O-Aikane, "the gathering of friends," is the Hawaiian Club at Santa Clara. The name has its significance in the fact that the Polynesians had no word in their language for hate. Their culture was one of love and of the "aloha" spirit. To demonstrate this spirit is the purpose of Hui-O-Aikane. Through luaus, movies, and other means, the Hawaiian Club constantly strives to promote the Hawaiian Islands and its way of life—a life dedicated to fun and laughter.

YOUNG DEMOCRATS

L. to R.: John Burdick, Madeleine Soussatte, Joe Dileonardo, Dave Lowry, Dompe Hompe, Greg Quintana, John O'Keefe, Tony Mantoyo.

President Joe Dileonardo

The Democrats is a campus political group designed to counteract the effects of other campus political organizations. Its activities are carried out through precinct work, forums, and guest speakers. This year great emphasis was laid on putting L.B.J. into office. Rather than resting back on its political laurels, the group is now organizing to take over the U.S. Senate.

YOUNG REPUBLICANS

President Bob Lilley

L. to R.: Jae Jacani, Anne Catalane, Anita Whelan, John Farnan, Mari Gillivan, Jay Kanitz, Sue Pruyn, Bill Bahn, Lou Branson.

The Young Republicans is a campus group organized to uphold the Conservative Republican Principles through the fostering of lectures, debates, and movies demonstrating the Republican view. This year the organization actively participated in campaigning for the defeated Presidential candidate, Goldwater. The group is already organizing its 1968 effort to put Goldwater successfully into office.

INTERNATIONAL CLUB

The International Club is an organization composed of students with many different, varied, and exciting backgrounds. They come from many lands which stretch from Anaheim to Manila.

This year has been an active one for the International students of the University of Santa Clara. They have put on buffet dinners featuring the cuisines of the world. Their variety show was the hit of the social season and was attended by people of many different and varied lands.

Beta Gamma Sigma

Beta Gamma Sigma is a national scholastic honor fraternity whose members are selected for their outstanding academic achievement as business majors. This year the members have attempted to promote and strengthen better student-faculty understanding by initiating a teacher evaluation program in the School of Business.

Women's Recreation Association

This newly formed association initiates and directs athletic activity for women students. This year their big push was in basketball where they went undefeated in intercollegiate competition. Under the leadership of senior, Susan Duffield, the WRA plans to broaden and diversify its activities even more in keeping Santa Clara's Lovelies slim and trim.

PHYSICS SOCIETY

President John Griffin

Another of the special interest groups on campus, the Physics Society fosters a creative interest in the physical sciences and promotes a spirit of unity among the science majors.

President John Griffin has guided the Society successfully both in social functions and technical films and discussions.

The Mathematics Society has as its purpose the stimulation of interest in mathematics among its members. It accomplished this by posing challenging mathematical problems and concepts, by sponsoring visiting lecturers, and by conducting contests.

The society assists the Math Department by proctoring the placement exams for freshmen and administering and scoring the annual Bay Area high school mathematics contest.

ITALIAN CLUB

Their loss to the Irish Club in a football game early in the year seemed to knock the wind out of this organization, and as a result they spent the remainder of the year recuperating down at Dinjo's in San Jose. They did successfully maintain the tradition of the club by electing one of the few Italian members to the presidency, evidently their only accomplishment this year.

In keeping with their Irish bloodline as well, they took care to center all of their activities on Shanty Malone's, the home of all Irishmen (and spirited Broncos) when visiting San Francisco.

BAA

Organized for those students who are members of the business college, the B.A.A. sponsors various activities. In the realm of the academic, the B.A.A. fosters guest speakers to benefit the business minded. In the realm of social the B.A.A. annually sponsors the B.A.A. Ball, which this year successfully held its extravaganza at the Hawaiian Gardens in San Jose.

ENGINEERING SOCIETY

The Engineering Society exists on campus as a unifying organization among the various types of engineers. In the past one of its principal purposes of the engineering society was to supplement the engineers education. While this purpose still exists as shown by the lectures and field trips sponsored by the society, social functions are beginning to play more and more a part in this organization.

The Charlie Graham Club exists for the purpose of promoting the entire Santa Clara sports program. Membership, since the club's birth five years ago, has grown to include seventy junior and senior boys. New members are selected by vote of the club after interviews with candidates.

The club raises spirit for athletic contests, aids in publicity of these events, and assumes responsibility for maintaining Buck Shaw Stadium during baseball and football seasons. By the performance of these labors the Charlie Graham Club serves the University and maintains the image of the traditional "Bronco."

Club President
Laurie Abrahamsen

BLOCK SC

Block S.C. is made up of all those athletes who have participated in major sports activities at the University. The Block S.C. is awarded in recognition of the recipients' contribution to the various teams. The club's activities range from service projects to social events.

SANCTUARY SOCIETY

The Sanctuary Society consists of sixty men drawn from the undergraduate student-body, who undertake "activity for the greater glory of God." These men participate in the religious affairs of the campus primarily by serving Mass, but also by undertaking any ceremonial task to which they are called. An example of this would be the Lenten exercises and the graduation services. Under the guidance of Father Carroll, S.J., the Sanctuary Society engenders and enriches the spiritual life of the University of Santa Clara.

The Archeological Society consists of students interested in working on original historical material. The club carries on active work in the field as well as in the laboratory, where much progress has been made in restoring and cataloguing past finds.

Highlights of the past year included trips to historical spots in California and to local Indian mounds and fossil beds. Also, space was obtained in the de Saisset Art Gallery in which to display the society's finds.

CATHOLIC INTERRACIAL COUNCIL

President John Burdick

The Catholic Inter-Racial Council is a newly formed organization which is dedicated to furthering christian ideals in the crucial racial issue. The council has participated in a number of demonstrations in the bay area, and is at this time conducting an investigation of local labor conditions in the campus area. They are also conducting a Bib Brother Program in which a university student visits a boy or girl between the ages of 13 to 17 giving counseling and guidance in a brotherly manner.

THE PHOENIX

Left to Right—Pablo Picasso, Mr. Welsh, Kothy Triplett, Jodi Dee, Tim Taormina, Tom Buckner, Dave Mortan, Mark Sarem, Marie Loidas, Al Baas, Trish Cecil, Terry Grundy, Pat Smith, Tori Towne.

Organized by moderator, Philip B. Welch, and president, Jim Slauson, The Phoenix has come to the Santa Clara campus to stimulate interest in the Fine Arts. Art for enjoyment's sake as well as art for art's sake is the goal of this industrious group. The Phoenix has sponsored a Bay-Area Photo Contest, taken field trips, and held a guitar workshop. Their promotion of silk screening as an art form has given rise to new ideas in campus publicity.

CHEMISTRY SOCIETY

The Chemistry Society, composed primarily of chemistry majors, is one of many special-interest groups on campus. By means of lectures, movies and field trips, the society increases its members' knowledge in areas of chemistry not usually covered in the classroom.

Notable activities during the year included the joint picnic with the Mendel Society and the annual convention of Western, student-affiliated chapters of the American Chemical Society, at which Santa Clara's student representatives delivered a research paper.

ASCE

The ASCE student chapter is a branch of the national professional society. It is organized to acquaint civil engineering students more fully with the profession of which they will ultimately become members. The student chapter sponsors meetings and field trips which provide opportunities for learning more about the role of the civil engineer, through contact with men in the profession.

ASME

The Santa Clara section of the national ASME is devoted to the acquirement of basic engineering fundamentals, which is accomplished by means of visiting industry spokesmen, and field trips to nearby industrial plants. Included in this year's activities were tours of the GM and IBM facilities.

The club also participates in contests sponsored by the national society, highlighted by the Regional Speech Contest at which each school submits an original paper. Students further benefit by membership in that they receive the excellent professional magazine *Mechanical Engineering*.

The Sodality is a religious organization of men and women organized under the special patronage of the Blessed Virgin for a threefold end; the sanctification of themselves, of others, and the defense of the church. In carrying on a life of spiritual practices and apostolic action, the Sodalists attempt to convert their aspirations into achievements by leading their neighbors to better lives, and by applying Catholic principles to society.

GOVERNMENT

THE NEW ROLE

Leadership of the Student Body on campus, and its representation before the alumni and in the public eye, is the demanding job of the Student Body President. As a member of Alpha Sigma Nu, the highest ranking ROTC cadet, a Sodalist, and varsity letter winner in Tennis, Bill Jaeger, who is a product of eight years of Jesuit education, typifies the Jesuit goal of developing well-rounded and active Christian men, capable of effecting a lasting impact upon the world.

SANTA CLARA'S EXECUTIVE BOARD

Devoted to the belief that the Santa Clara Man is capable of directing the affairs of campus life, the Executive Board dedicates itself to the development and practice of a genuine government of the students by the students. In realizing this ambition its members act as a catalyst to the development of student responsibility, maturity and leadership. They enhance the atmosphere and spirit of Santa Clara by stimulating student involvement in the social, athletic, academic and spiritual life of the University.

L to R: Mike Ranahan, Mike Ziemann, Bob Glover, Tom Malatesta, Tim Taarmina, Bill Jaeger.

Executive Board Secretary

When she isn't sitting on the boss's lap, Mary Licini coordinates executive board meetings, takes minutes and directs office work.

Office Girls

The office girls generously devote their afternoons to the service of the ASUSC. All secretarial work of the Executive Board, the Court, and the Senate is handled by these little women.

Bock, L. to R.: Rosemary Munsen, Patty Allegrini, Carlo Conete, Melisso Asselin, Morie Bourgois, Pat Sutherland, Chris Coldwell. Front: Julie Poiriroo, Koy Sertich, Michele Clerou, Annette Bacilo, Georgia Anderson.

Election Committee

Due to the competitive spirit in all types of campus elections, the Election Committee, under the direction of Gary Wietz, has completely rewritten the election rules, making them more adaptable to the heated campaign battles which develop during the spring. Along with the new rules the committee has developed more effective enforcement machinery to see that they are observed.

Front to back: Pat Garman, Chris Caldwell, Doug Berry, Steve Dambrink, Pat Callahan, Bab Fogerty, Chuck Carey and Gary Weitz.

ASUSC Social Committee

The A.S.U.S.C. Social Committee is the machine behind the co-ordination of all social events presented during the year. With computer-like accuracy they place the dates of important functions at your finger-tips with their bi-annual social calendar.

Left to right: Billie Lambert and Marty McHale.

Intramural Committee

Mike Tramutt and 'his boys' added many new phases to the highly competitive intramural program. Then they asked, "Just how great is the Intramural Committee?"

Left to right: Roger Johnson, Mike Tramutt, and Dave Basso.

Leadership Conference Committee

Preparation, presentation and evaluation of the leadership conferences held each year is the interesting job of the newly formed Leadership Conference Committee.

Left to right: Ken Callahan, Bill Luke, and Dave Oke.

Research Committee

Left to right: Kevin King, Barbara Boehler, Joe Sieh, and Ernie DeGasparis.

The duty of the Research Committee is the investigation of problem areas in the realm of student activities. Thus far the group has studied the cafeteria, and the closed retreat. Its research is valuable to action committees, such as the Student Union Committee, dealing with these campus problems.

This year the Publicity Committee centralized the publication of posters and announcements. Everything from art work to turning the crank on the mimeo machine is handled by this revitalized organization.

Student Union Committee

The Student Union Committee has the interesting task of investigating all aspects of the center to insure its most effective use. This year, it has gathered student opinion on all aspects of the union, and with the results, has worked with the administration to gain many improvements regarding the recreational facilities. **The most dramatic achievement** of these students was convincing the administration of the need for a new food service. Through their efforts, the dream has now become a reality!

The Check Cashing Service was started this year in answer to increased student demand. It operates in conjunction with the Student Loan to provide complete financial services to students.

L to R: Sharon Groom, Danna Medley, Linda Schafbuch, Sue Groom, and Bab Bunje.

The Student Directory Committee, under administrative talents of Gail Snowgrass, aggressively took on its task of compiling student names, addresses, and telephone numbers. Their job this year was more than doubled. To an increase in students was added a middle-of-the-year move which called for a supplementary directory.

L to R: Christine Lautze, Gail Snowgrass, Judy Fitzgerald.

Living in a foreign country, learning another language, meeting new people, and seeing the historical and cultural highlights of Europe is a rewarding and broadening experience never to be forgotten. The Foreign Studies Committee has sought to better acquaint Santa Clara students with the prospects of study in this unique environment.

ATHLETICS

BRONCOS WIN SEVEN

The 1965 Santa Clara football team finished the season with a 7-2 mark and set 11 records. The Broncos' season was the fifth best in the school's history, and the best since resuming football in 1959. The top mark was on defense when the Broncos held their opponents to an average of 73.9 yards a game on the ground. Two outstanding single-game defensive marks were; fewest number of yards gained passing, 1 yard, Chico State College, October 3, 1964, and least number of yards gained rushing, 3 yards net, U.C. Santa Barbara, October 31, 1964. Santa Clara's defense, led by Little All-American Butch Pastorini, limited the nine opponents to only 83 points for a 9.3 average per game. The most impressive win of the season was the 14-7 upset victory over University of Pacific at Stockton.

DROP TWO

Individually, freshman quarterback Ray Calcagno set two new aerial records and tied another. His 15 touchdown passes this year was a new mark, eclipsing his brother, Ron's, former record of 11 in 1962. Ray completed 65 passes in 136 attempts for 1,085 yards. Bob Miranda, the team's Little All-Coast back, totaled 544 net yards rushing in 107 attempts for a 4.8 yard average. Pat Rogers punted 36 times for 1,221 yards and a 33.9 yard average. End Cliff Gamble, top pass receiver, had 22 receptions for 382 yards and 7 touchdowns.

Coaches Malley and McPherson are looking forward to another excellent season in 1965. Their expectations are based on an undefeated frosh season and the loss of only six seniors from the 1964 varsity squad.

PAT MALLEY, a 1953 University of Santa Clara graduate, will begin his seventh year as head Bronco football coach this September. He played guard on the 1950-52 Santa Clara teams before suffering an injury in his final year, at which time he was appointed freshman coach. While serving in the United States Army, Mr. Malley furthered his coaching career by compiling a 20-3 record with outstanding service teams. In 1956 he became head varsity football coach at St. Ignatius High School, San Francisco. During his three years at St. Ignatius, his teams won the city championship twice. His brief prep record was 20-7-2.

When in 1959 Santa Clara again took to the gridiron, the administration pointed to Malley as head coach. Playing a limited program in the initial 1959 season, his Broncos had a 4-1 record. Including this year's excellent 7-2 record, Mr. Malley's overall Santa Clara coaching record is 26-18. In 1963, when his team had a fine 6-3 record, Mr. Malley was accorded Northern California "Coach of the Year" honors. He puts the accent on passing and a strong blocking game, while balancing the attack with effective running. Pat Malley's teams have the reputation of providing exciting spectator football.

Bill McPherson graduated from Santa Clara in 1954, having played football and baseball at the University. Shortly there-after, he became varsity line coach at Bellarmine College Preparatory in San Jose. Bellarmine teams were annual champions in the Catholic Athletic League and were always high in the Northern California rankings. With the stepped-up football program, Mr. McPherson came to Santa Clara in 1963 as line coach. Added to his work as the assistant varsity football coach, Mr. McPherson has taken over as Freshman baseball coach at Santa Clara. In his first two years here, the Bronco footballers have compiled a 13-5 record. Since his arrival, Bronco line play has become an outstanding part of Santa Clara football.

Varsity Basketball

Dick Garibaldi, now head varsity basketball coach, was, not long ago, playing for the Broncos. In '56-'57, his senior year, he was an all-WCAC performer. In 1952 he led Santa Clara to the NCAA championships with a last-second basket which gave the Broncos a quarter-finals over Wyoming.

Completing his third year in the WCAC coaching ranks, Garibaldi took over the Bronco varsity when Bob Feerick left Santa Clara to coach the San Francisco Warriors.

Carroll Williams, head Frosh coach and assistant varsity coach, was a former Spartan star and still holds several San Jose State College and WCAC scoring marks. Williams came to Santa Clara two years ago from Blackford High School where he tutored the varsity quintet.

As a coincidence, Garibaldi and Williams both attended the same high school in Stockton during the same era.

Frosh Basketball

Coach Carroll William's frosh basketball team closed out the most successful yearling cage season in the school's history, compiling a 20-1 record. The final SCU mark eclipsed the old record of 20-2 set under present head varsity coach Dick Garibaldi in 1960-61.

The only frosh loss was a 79-61 setback to USF frosh. However, the loss was later avenged in a 50-41 SCU home victory.

The team received added recognition with the naming of Bob Spence and Bob Heaney to the all Northern California Freshman first team. SCU was the only Bay Area school to place two athletes on the first team.

According to final SCU frosh basketball statistics, Williams

team was led by five players who scored in double figures. They are guard and forward Bob Spence, who wound up as scoring champion with 335 points in all 21 games for a 15.9 average; forward Bob Heaney, 310 points for a 14.7 mark; center Chris Dempsey, 230 points for a 10.9 average; forward Ron Lane, 219 points for a 10.4 mark; and forward Bud Ogden who had 148 points for a 10.5 average in 14 games.

The frosh team, which three times scored over 100 points the past season, averaged 82.1 points per game. They were undefeated at home, winning all 14 games including a double overtime 101-98 triumph over a star-studded Santa Clara Alumni team.

Varsity Baseball

The hard-hitting varsity baseball team established two new CIBA batting marks along the route to compiling a final 29-11 overall record. After a slow start, the Bronco baseballers made a great comeback and missed capturing the CIBA title by one victory. Coach Taormina's ball players showed fine balance with a .305 in CIBA play, and earned 217 base hits snapping the old record of 202 set by USC in 1958. The Broncos 27 homeruns in league play was also a new high, breaking the old standard of 20 set in 1955.

Individually, three Santa Clara players set new league marks in helping their team to a final 11-9. Sophomores, Al Gallagher and Ray Henningson, led the hitters; Gallagher with a .407 average, and Henningson with 10 homeruns. Rich Robertson set a new CIBA seasonal strikeout record with 76 strikeouts. A junior from Napa, Robertson was the Broncos big winner of the overall season with a 11-5 record. Trailing Robertson in Bronco pitching were sophomore, Gary Shara (3-1), and junior, Dave Squellati (3-2).

Despite injuries to the pitching staff, the Bronco bats kept Santa Clara among the top contenders right up to the last week of play. Seven SCU players turned in batting averages over 300. Coach Taormina is very optimistic about the coming season as the Broncos lose only three seniors.

This year Sal Taormina finished his first season as varsity baseball coach at Santa Clara. He succeeded John (Paddy) Cottrell who was unable to return in November due to illness.

Taormina, before going into professional baseball, attended San Jose State College. At the age of 42 he has 21 years of pro-ball experience, including stints with the Seals, Tacoma (both as player and coach), Bakersfield, San Jose, and Charleston. While with the SF Seals in 1956 he was acclaimed the most popular player by the team's fans. He was also a member of the Seal's 1957 pennant-winning club. His most recent contact with pro-ball was as manager for Fresno of the California League in 1961-62.

In his playing days, Sal was known as one of the hardest-working ball players in the game. He coaches according to a player's ability, and states explicitly that, "I like the hitting and running type of game."

Mr. Taormina now lives in San Jose with his wife and four children where, before his appointment at Santa Clara, he worked as public relations representative with a San Jose firm.

He has sacrificed many of the renowned pleasures of college days. In the spring, at least, his social life is non-existent. No one on campus knows physical toil as he and his teammates do. Often his object is to drive himself beyond the known limits of his endurance. He receives few tangible rewards, but finds others.

He accepts and enjoys the anonymity inherent in his way of life. He claims moments of pleasure beyond those attainable in other sports and he believes what he is doing is essentially better than what others do. He likes belonging to an interdependent group. In fact he is clannish, saying only those of his kind can know the reason why — why row?

He is an oarsman.

Bronco Rugby

1st Row: Fuchs, Gammicchia, Clark, Garvello, Pollock, Brito, Trombetta. 2nd Row: Pollock, Madden, Dunkley, Marinelli, Enos, Bahn, Giovenetti. 3rd Row: Barry, Ghilotti, Frelie, Wirthman, Maloney, Fox, Burns.

After a season which saw the Broncos improve greatly during the second half to finish with a 6-8-2 record, the team has great hopes for the 1966 season. Coached by Ed Barrey and Chuck Lyons, the team beat such schools as St. Mary's, Cal Davis, and Cal State. Losing only two starters, the 1966 Bronco Ruggers will be led by senior scrum-half George Marinelli, seniors John Burns, James Dunkley, Byron Roberts, and Joe Clark. In the coming season the Broncos will enter a team both in the "A" and "B" divisions of the Northern California Rugby Union. This year the teams will be facing some of the best schools on the West Coast.

IN MEMORIAM

Edward J. Riordan, a quiet and amiable member of the Class of 1966, was killed in an automobile accident on Saturday, April 24, while returning from a beach party in nearby Santa Cruz.

Ed, a civil engineering major, was the son of Mr. and Mrs. Edward J. Riordan of Milbrae, California. He was as proud of the University as it was of him. A week prior to the accident he had spoken to his grandmother of Santa Clara, referring to it as "a second home."

It is sometimes difficult to see God's plan after such a tragedy as this, but because it is His will, it is not ours to question.

Although Ed is gone from us, he will always be remembered by his classmates and friends as the fine young Bronco that he was.

IN MEMORIAM

In another tragedy which numbed the hearts of all Santa Clarans, Thomas Brogan, a junior student from Hollywood, California, lost his life.

Tom was drowned while with the Bronco baseball team on its summer schedule in Hawaii. He was caught by a rip tide and pulled out to sea where attempts at rescue by his team mates were futile.

Tom was known by all as the great first-baseman for the Broncos. But his talents were not confined to the baseball diamond—he took an active part in all areas of campus life. His major was economics and his future plans called for law school. Through the Sodality, a campus religious organization, Tom had earned the respect of both students and faculty for maintaining the highest qualities of leadership.

Our hearts go out to the family of Tom Brogan, but they must know that it is not their loss alone, but that of all Santa Clarans.

Tom Brogan in that familiar first base stretch that saved many a game for the Broncos.

JAMES BOND ASSOCIATION

Aimed At Retaining, And If Need Be Returning, What Is Santa Clara . . .

The names remain unknown, but the faces will be well remembered by those who have helped, or have been helped by its gallant members . . .

This clandestine association is founded on certain and innate principles. It is aimed at retaining and, if need be returning, what is Santa Clara. On all fronts it has smashed THAT element of dangerous student division and has kept the University as one in goal.

His new sergeant!!

Whoever heard of a guy named Ace?

Fastest hands in the West.

They're never too young, "my friend".

Did you ever see this picture of Lady Bird?

Phhtttt!

Strictly military????

Tuna

Let's face it, Bob. Dick and Jane is too difficult.

Honest, Dad, we take college seriously!

O'Sullivan and tool.

Has anyone seen Barney?

It's simply a matter of supply and demand.

It's a new dance from Denver!

Some guys are naturally garbage mouths.
